

ResLife -- Energy Nice Checklist

How much energy can VIU Residences avoid using over the break?

It's up to you!

Take a moment to see where you can save a little energy, then let us know what you were able to turn off or even unplug. We'll estimate how much electricity was avoided just by turning things off or unplugging them over the holidays.

Be a part of the conservation effort across VIU--because hey, even your lights and devices need a break!

You could win!

Two names will be drawn and each will receive a \$50 gift certificate to the Campus Store or Food Services -- winner's choice.

Deadline to enter -- Friday, December 22, 2017
